AGENDA ITEM #1

Mayor Darren Braddy called the public hearing to order and Darren also voiced the prayer. Darren again presented to the public that the city needed to go above the effective rate in order to fund the city's portion of the rotating fire department for Monday-Friday 6:00 AM to 6:00 PM. Tanner Crutcher was present and stated that having the rotating fire department for the daytime hours could help the VFD get a better ISO rating, which is currently a 4. A better rating could help obtain better equipment and better training. Darren asked if there were any further comments. No comments were made.
